The Flawed Family of God: Stories about the Imperfect Families in Genesis (book). The best stories in the book of Genesis involve families. The issues these stories raise—married vs. single life, sibling rivalry, infertility, family relocation, blended families, and the like—are startlingly relevant to families of today. This Bible study examines the families of Genesis, starting with how the Adam and Eve story encompasses far more ways of being family than most of us think. It looks at the sibling rivalry of the Cain and Abel story, pointing to the jealousy and violence to which the whole human family seems addicted. It uses the ups and downs of the relationship between Abraham, Sarah, Hagar, and Ishmael can help us understand the complicated dynamic of blended families. Carol Helsel and Suzie Park invite readers these and many other connections as they reexamine the joys and complications of modern family life.

The Book of Romans (Bible)

Romans is considered by many to be Paul's greatest work. Using a question-and-answer format, Paul records the most systematic presentation of doctrine in the Bible. Romans is more than a book of theology; it is also a book of practical exhortation. The good news of Jesus is more than facts to be believed; it is also a life to be lived. Teacher: Debbie Hurt,

Forgiving What You Can't Forget: Discover How to Move On, Make Peace with Painful Memories, and Create a Life That's Beautiful Again by Lysa Terkeurst (book). Is your mind stuck in overdrive because you repeatedly play back others' offenses? Sharing a step-by-step plan to help you let go of bound-up resentments, Terkeurst teaches you what the Bible says about forgiveness, how to disempower triggers hijacking your emotions, move on if a person refuses to change, and more.
